Note from the Director:

We enjoyed another year of serving our community! It was great to see more of our patrons returning to their library and taking advantage of the programs (both in-person and virtual) and all of our resources and services.

Our staff truly loves finding ways to bring enrichment and enjoyment to our neighbors.

This coming year, look forward to more of what we're known for, plus some new things, like a free wi-fi zone in Fort Hardy Park, Hoopla streaming service, and exciting new programs for all ages! As always, please let us know what you would like to see at your library.
