Note from the Director:

Thanks for another great year!

We were happy to see summer reading and program attendance back to pre-pandemic levels and then some. It was a very busy, but fun few months for us.

In 2023, we also completed construction on our new Pavilion space, which will open for use from May through October and will be reservable for public events.

As always, stop by all year for free produce, great items to borrow, and check out our fantastic programs for all ages.
